PRAYER FOR A CURE FOR COVID-19: Lord Jesus Christ, our true physician and healer, be merciful to us and bring us your aid in these troubled times. Drive out our infirmities of soul and body; free us from all disease and especially from this pestilence. We place in your gentle Heart the elderly, the frail, people with disability, children, young people and families, those who are poor, lonely and isolated. As you walk with us, free them from fear, and give them patience and hope together with our loving care. In your mercy deal also with the causes of our pitiful condition, that in curing our lack of faith and spiritual weakness, you may also remedy our bodily ills. Come, Holy Spirit, enlighten the minds of women and men of medical science who are working to find a solution to this viral infection. Guide their research and help them discover what you provide in creation, sure ways of control, protection, inoculation and healing. Strengthen them in their tiring work and enrich in them the virtue of hope. Amen.
